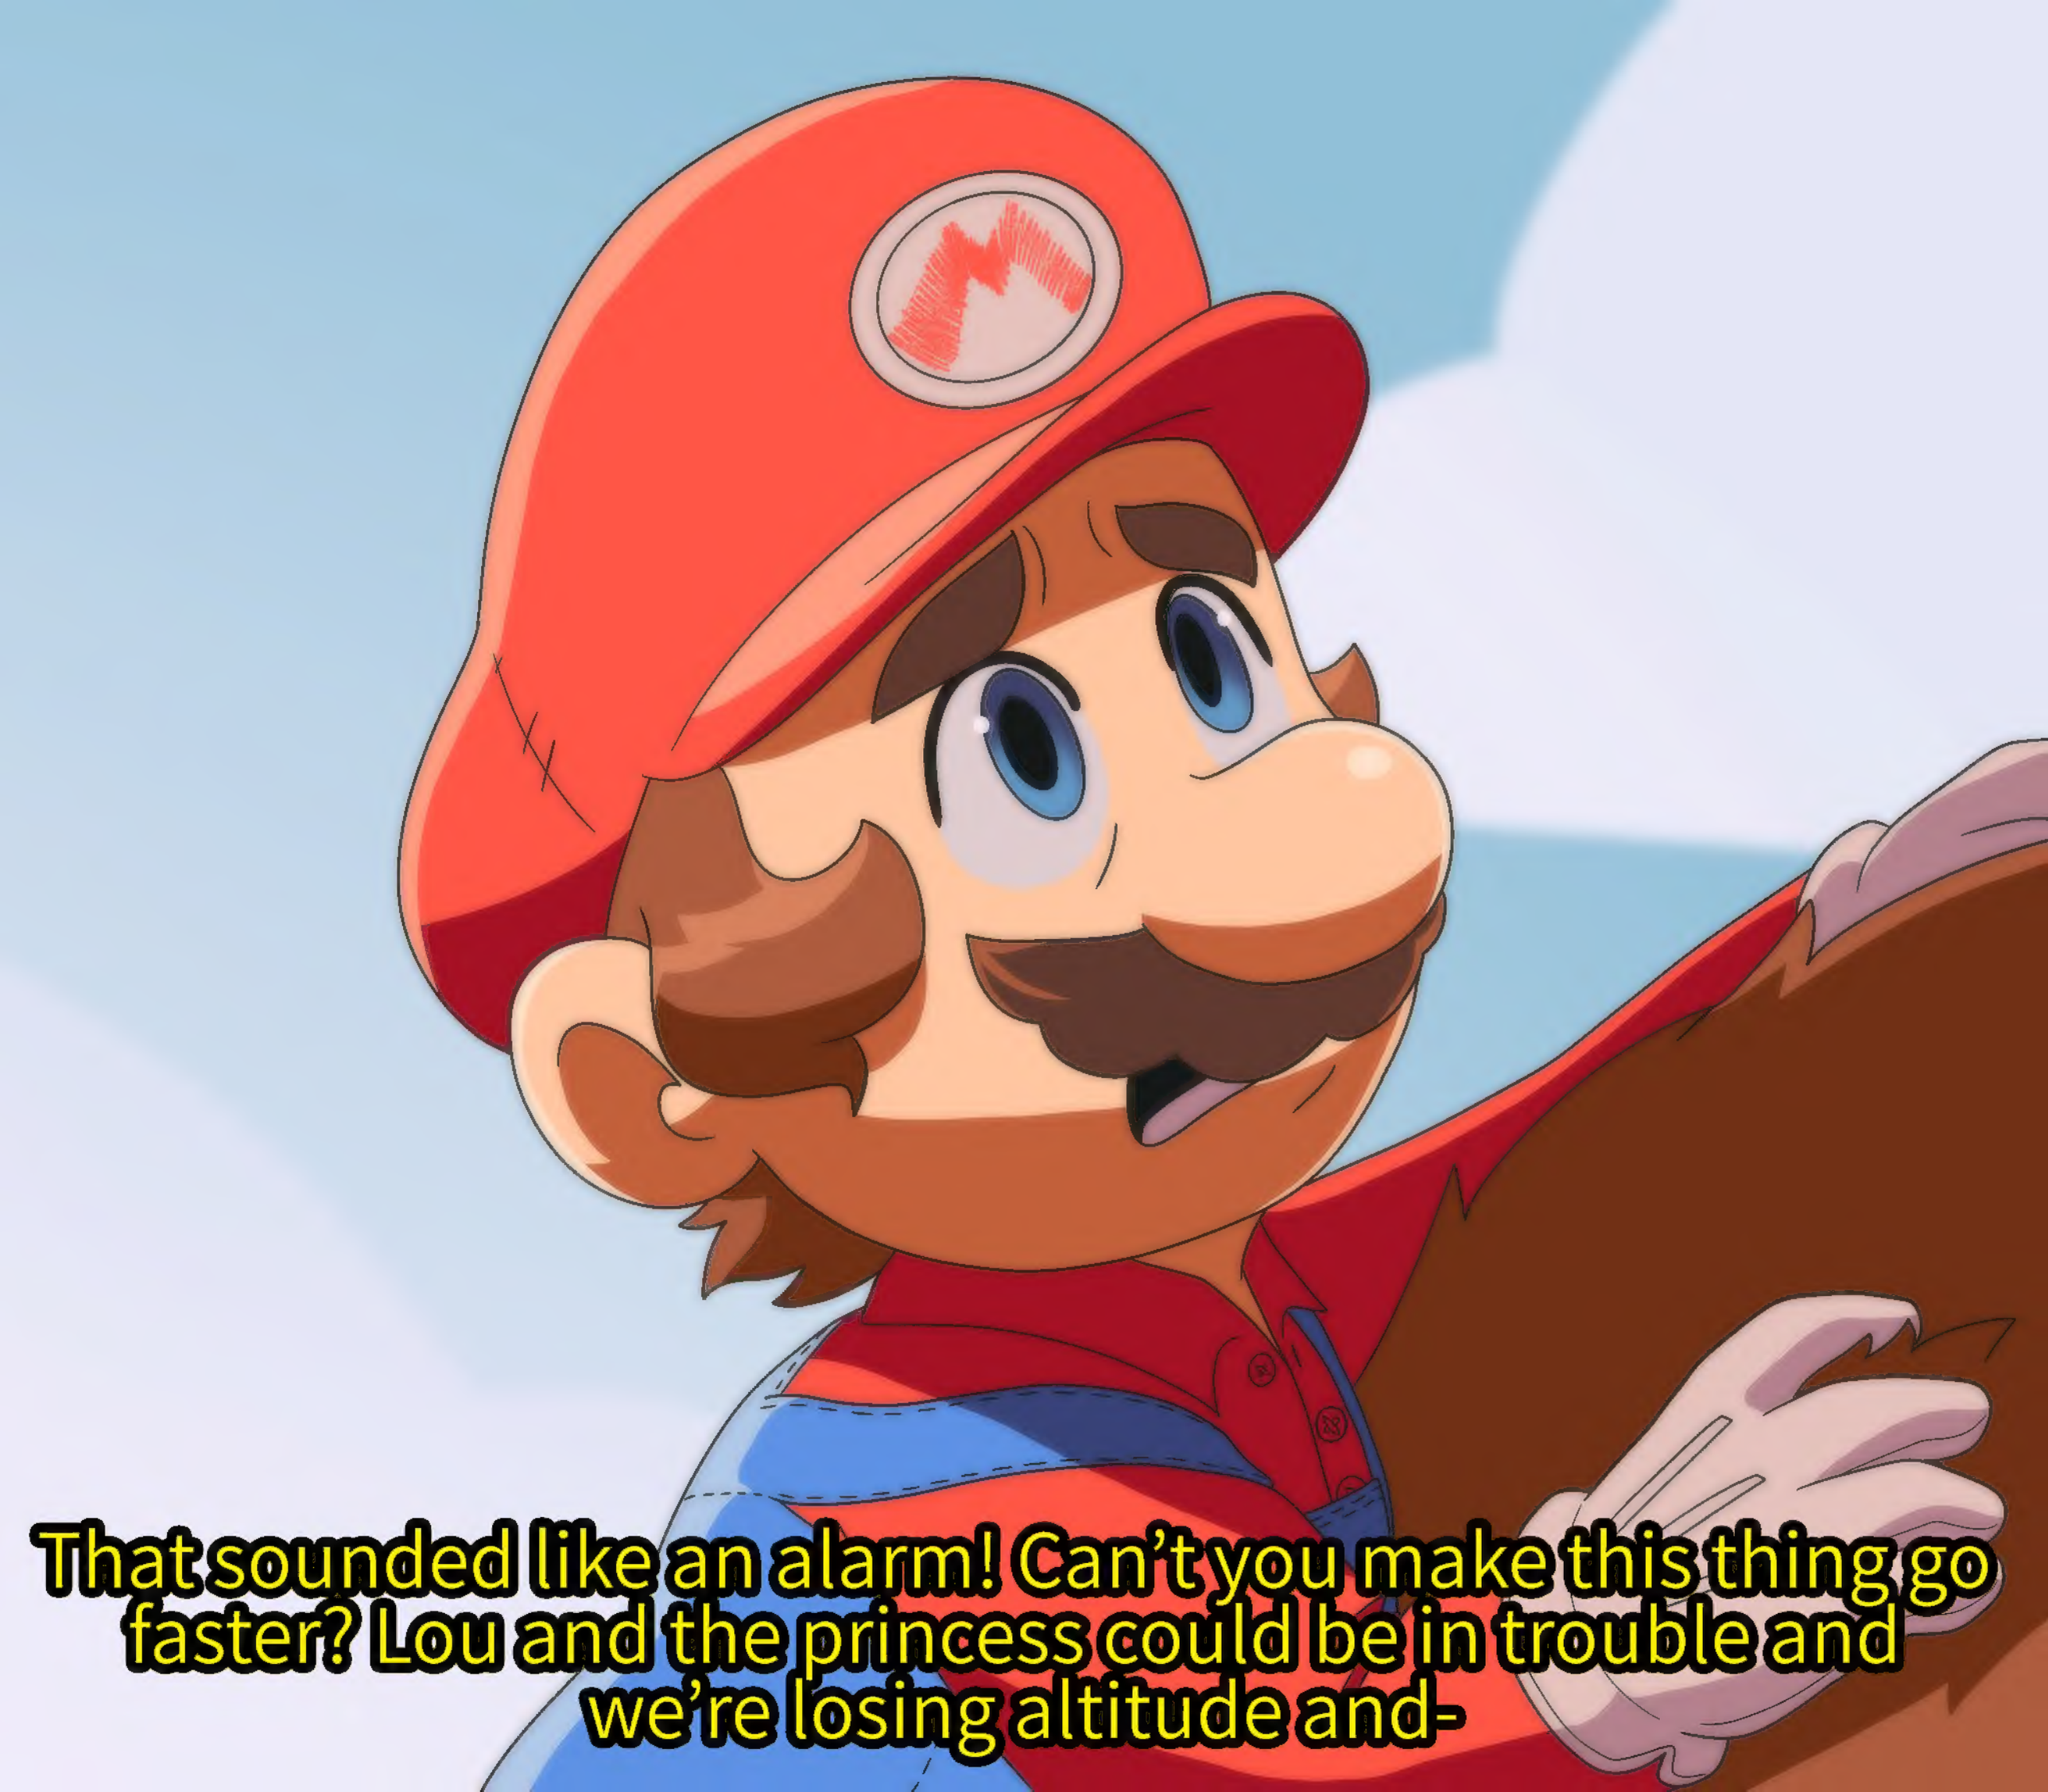
That...doesn't sound good...

Alright fellas, a Super Horn has been blown. I bet
you guys 10 coins that the princess escaped again.

KT 1: Let’s not let the boss know what I said.

KT 2: I’ll take it to my grave, hehe.



That sounded like an alarm! Can’t you make this thing go faster? Lou and the princess could be in trouble and we’re losing altitude and-

YOU WERE ALSEEP? ARE YOU KIDDING ME??
WE'RE DRIFTING OFF COURSE, YOU BIG MONKEY!

I DIDN’T GET ANY SLEEP, IDIOT!

Is lying
E allora? Neither did I and I'm doing just fine, Cretino!

I am going to drop you.

BITE ME!

NYOOOOOM

GOING THE WRONG WAY!!!

Toad, please check the blocks on the table for any flight Power Ups and give them to Luigi here...

LUIGI: Huh? Why me?

You have been blessed by the Thunder God. They guard the Thunderhand, which I assume was looted by Bowser's army.

My apologies, Princess, but all of these seem to be from the Snow Kingdom. None are for flying.

PEACH: Hm...Not even a Super Feather? Okay...that's okay. If I can figure out this wand, perhaps I could...hm...

TOAD: Why don't I give him this cloud?

PEACH: It’s too slow...it’ll never reach the top on time...

LL: We'll it's a good thing I was one step ahead!

Give me the instructions.
